With reference to his role as the Company's Chairman, he initiated the search for and found a strategic partner for the Company and laid a solid foundation for the Company until it became Allianz Ayudhya Capital Public Company Limited today.

Mr. Virojn Srethapramotaya served as a Director of the Company for 21 years, from February 27, 1998 to the year 2019; and he was the Chairman of Sri Ayudhya General Insurance Public Company Limited ("SAGI") from 2011 to 2019. Prior to considering the matters in accordance with the agenda items, the Chairman assigned Ms. Chawandhorn Muangmee, the Company Secretary, to inform the shareholders of the voting procedures and vote counting as follows:

1. In casting votes, one (1) share shall have one (1) vote pursuant to Clause 39 of the Company's Article of Association.
2. Vote counting for each agenda item shall be conducted according to two scenarios as follows:
 - 2.1 The Chairman shall request the Meeting to vote on each agenda item by asking a shareholder or proxy to affix the mark "approve," "disapprove" or "abstain" in the ballot of each agenda item. The Company shall collect the ballots of disapproval or abstention. The Chairman shall ask whether any shareholder or proxy disapproves or abstains from voting. If any shareholder or proxy disapproving or abstaining from voting in the agenda item completes his/her vote, he or she shall raise his or her hand for the staff to collect the ballot and count the vote on a Barcode System. The vote counting shall be done by deducting the disapproving and abstaining votes, as well as void ballots (if any), from the total votes in the Meeting. Therefore, all remaining votes shall be deemed as approving votes.

A shareholder or proxy would have the number of votes equivalent to the number of shares that he/she or a proxy grantor held and casts vote of approval in each agenda item. He/she shall keep the ballots and return them to the staff after the Meeting is adjourned. The voting in this Meeting will be conducted openly and all ballots, therefore, will be collected for transparency for the vote counting.

Except for agenda item 5, to Approve the Appointment of the Directors to Replace Those Retired by Rotation, the Company would collect all the ballots (on which each shareholder must also mark his/her vote in only one relevant box) from all shareholders/proxies during the voting at the Meeting, by collecting the disapproving and abstaining votes first whereby shareholders of these votes shall raise their hands for the staff to collect. The approving ballots shall be collected last.

Any vote casted in the following circumstances shall be considered void:

- (1) A ballot with marks in more than one box; or
- (2) A ballot with a vote that has been crossed out without signature affixed

2.2 In a case where a shareholder appointing a proxy to attend the Meeting has clearly cast his or her vote on each agenda item in the proxy form beforehand, the Company shall count the votes cast in the proxy form in respect of the resolution for such agenda item. As these votes have been collected and recorded for processing in advance by computer, the proxies attending the Meeting thus shall not receive ballots from the Company.

3. The resolution for each agenda item had to be approved and passed as follows:
 - Agenda item No. 1, 3, 4, 5 and 7 had to be approved by a majority vote of shareholders attending the meeting and casting their votes. Abstentions would not be counted.
 - Agenda item No. 6 had to be approved by a vote of not less than two-thirds (2/3) of the total number of votes of shareholders attending the meeting. Abstentions would be counted.
 - Agenda item No. 8 had to be approved by a vote of not less than three-fourths (3/4) of total number of votes of shareholders attending the meeting. Abstentions would be counted.
4. Details of the result of vote counting for each agenda item shall be summed up and announced to the Meeting before the Meeting adjourned.
5. Any shareholder or proxy, who arrives after the Meeting has begun, shall have the right to vote on the agenda item being considered and the subsequent agenda items only.
6. Any shareholder or proxy who would like to leave the Meeting before it is adjourned is required to return his or her ballots by dropping them in the designated box.
7. Due to the current outbreak of COVID-19, the Meeting would be conducted in the most concise manner. If shareholders wish to ask questions, the Company kindly requests shareholders to submit the questions in writing and drop them in the designated box instead of speaking through the microphone. The answers will be given in the Meeting or published on the Company's website within one week after the Meeting.
8. The next meeting of shareholders will not have the agenda item regarding the consideration and approval of the Minutes of the 2020 Annual General Meeting of Shareholders. The Company shall disclose the Minutes of the 2020 Annual General Meeting of Shareholders in Thai and English on the Company's website and through the information disclosure system of the Stock Exchange of Thailand (the "SET") within 14 days from the date of the Meeting. In addition, shareholders shall be given an opportunity to make inquiries or give their comments regarding the Minutes of the Meeting.

9. The Company had provided an opportunity for shareholders to nominate qualified candidates for election as the Company's directors during December 1, 2019 to January 31, 2020 pursuant to the criteria disclosed on the Company's website. However, no shareholder proposed any matter or agenda item for the 2020 Annual General Meeting to consider nor was a candidate nominated for the Company's directorship. The Company has a policy to pay dividends of not less than 60% of net profit after tax each year based on the operating results from the consolidated financial statements and the resolution at the shareholders' meeting. Therefore, the Company could pay dividends to the shareholders under Section 115 and Section 116 of the Public Limited Companies Act, B.E. 2535 (1992) (as amended) (the "PLCA") and Article 44 of the Company's Articles of Association, which prohibit payment of dividends out of funds other than profit, and requires the Company to allocate part of its annual net profit as reserve fund until this reserve is not less than the rate specified by law.

AZAY has multiple distribution channels: Bancassurance, Agency and Direct Marketing and all channels contributed to the growth of the company. The company's new business grew 16% last year. Besides the company's conventional insurance products, the Company launched other participating policy plans with enhanced investment like Unit Linked and others. The company has also strategically been focusing on health and protection products.

To answer Khun Thitipong Sophon-Uthumporn's questions, Mr. Smith replied as follows:

Question: Regarding the COVID 19 situation, does it affect AZAY's sales through its Agency Channel?

Mr. Bryan James Smith replied that the Agency channel was only one of the main three sales channels of AZAY. The sales through the Agency channel during COVID 19 was strong because the sales of the health products increased.

The position in the P&C insurance market moved from #19 and #22 to #11. Since the completion of the transaction, among other restructuring company businesses, the company has been focusing Technical Excellence in the automobile sector, especially in the ex-AZTH motor portfolio. The prices have been adjusted and the underwriting and claims procedures have been reviewed and improved. The company incurred expenses for restructuring and integration.

To answer Khun Thitipong Sophon-Uthumporn's questions, Mr. Lars Heibutzki replied as follows:

Question: What were AAGI's 2019 net sales and profits?

Mr. Lars Heibutzki replied that AAGI's Gross Premiums Written was 5,757 million Baht in 2019 and the Net Premiums earned was 3,408 million Baht. Because of the combined portfolios between AZTH and SAGI, the integration and restructuring expenses of the Company were high. The Company's income before tax was minus 263 million Baht and Net Profit for 2019 was minus 279 million Baht.

Question: Regarding the COVID 19 situation, does it have any business plan to improve the sales of the Company products?

Mr. Lars Heibutzki replied that AAGI has the similar business plan as AZAY. Besides the three (3) main business channels that have also strategically been focusing on health and protection products, the Company has also been expanding its sales through the digital channel.
